

IT'S PART OF OUR PROMISE

**...TO GIVE YOU WHAT
YOU NEED TO SUCCEED.**

From a safe workplace and open communication to the right training and opportunity for personal/professional development, AltaGas Utilities provides its employees with the resources they need to discover fulfilling careers.

Headquartered in Leduc, only minutes south of Edmonton, AltaGas Utilities, with 16 district locations throughout Alberta, safely and dependably distributes natural gas to more than 70,000 residents in over 90 communities across the province. We deliver high-quality customer service in a positive work environment.

LEAD, CONSTRUCTION AND MAINTENANCE – ATHABASCA

\$30.16 – \$31.93 per hour

Performing as a lead hand in this union position, you'll play a fundamental role in the construction, maintenance and operation of natural gas transmission and distribution systems. In addition, you will lead the staking and inspection activities ensuring quality standards are consistently achieved; internal policy, procedures and external regulations are adhered to throughout construction. You will lead in the operation and maintenance of construction and heavy work equipment; install gas piping systems; and, ensure compliance with pertinent safety regulations. You will also provide on-call and standby service as required. The successful candidate has five years experience in the construction, operation, and maintenance of a natural gas distribution system. In addition, you will hold a valid Alberta Class 1 driver's licence and certification in PE Fusion, Safe Digging, Line Location and Construction Safety.

AltaGas Utilities employs individuals who are committed to safety and demonstrate a work ethic that includes honesty, integrity, loyalty, respect, reliability, accountability, and ethical behaviour.
