| Customer Contribution | | | | | |
| The contribution a customer must pay towards the cost of a service depends on the economic feasibility of the service. All contributions are non-refundable. | | | | | |
| Standard Contribution* | | | | | |
| If charging you the standard contribution makes it economically feasible for AUI to install the service, you will be required to pay a fee as outlined below: | | | | | |
| Town \$0 | | Rural Subdivision \$533 + GST* | | Rural Other \$5,756 + GST* | |
| *Effective January 1, 2020, as per the Alberta Utilities Commission (AUC) Decision 24883-D01-2019, rates are based on Rate 1/11 service and are subject to change with AUC approval. | | | | | |
| Non-Standard Contribution | | | | | |
| If charging you only the standard contribution does not make it economically feasible for us to install your service, you will be required to pay a higher, non-standard contribution. We will notify you of the amount of the non-standard contribution and request payment before proceeding with the installation of the service. | | | | | |

***AltaGas Utilities Inc. standard delivery pressure is 1.7 kPa (0.25 psig)**

I hereby make application with AltaGas Utilities Inc. ("AUI") for natural gas distribution service to the service location I have described. I acknowledge the AUI Natural Gas Utility Service Rules, available from AUI by request or from AUI's website (www.altagasutilities.com), are part of the service agreement between us. I understand the AUI Natural Gas Utility Service Rules and AUI's standard non-refundable contribution rates are subject to change with Alberta Utilities Commission approval and I accept I must pay the standard contribution at the rate in effect at the time of installation. I am also aware that some service applications require an additional non-standard contribution. If an additional non-standard contribution is necessary for this application, AUI will notify me and AUI will not commence work until after I have agreed to pay both the standard and additional non-standard contributions.
